Currency Creek celebrates the Bridal Awards

The Annual Bridal Industry Awards were celebrated at the Radisson Hotel on Monday the 14th of November with businesses across South Australia in attendance. Currency Creek Estate Wines was nominated in several categories and managed to reach the finals. The Winery's Vineyard Villas received a third place for '1st night honeymoon suite' with the 'restaurant receptions' following close behind with fourth place. Function Coordinator, Kerryn Stamation scored 100% throughout the 'Function Coordinator' points system and was placed fifth for this esteemed award. Kerryn joined the Currency Creek team only one year ago and was pleasantly surprised to rank so highly in her first year of nominations, especially considering the competition was major City establishments such as the Hyatt, The Radisson and The Hilton. She commented that '2006 is already promising to be a great success with 18 weddings booked so far and we even have several in place for 2007 so I'm definitely looking forward to the next two years'. Kerryn, along with all the staff at Currency Creek Estate Wines, wish to thank all the wonderful brides & grooms along with their families and friends who celebrated their special day with us!
